Dear Mr. Jesse:

Thank you for your August 21, 2008, response to my July 31, 2008, Notice of Violation letter. Your response included information on how you will be managing used oil and fluorescent light bulbs in the future. Used oil will be collected in a tank and picked up by Safety Kleen and bulbs will be managed by Lamp Tracker. With this information, all violations observed during our July 10, 2008, inspection are considered abated.

1. **OAC Rule 3745-52-11, Waste Evaluation – abated 8/21/08**
2. **OAC Rule 3745-279-24, Used Oil - Off-Site Shipment – abated 8/21/08**
3. **OAC Rule 3745-279-22(C)(1), Used Oil Labeling – abated 7/10/08**

Should you have any questions or if I can be of assistance, please contact me at (419) 373-3114.

Sincerely,

Wendy Miller
