Return to Compliance

Mr. Ryan Zeedyk, Operations Manager
Hicksville Grain Company
P.O. Box 9
Mark Center, Ohio 43536

Dear Mr. Zeedyk:

Thank you for your October 21, 2009, response to Ohio EPA's September 29, 2009, Notice of Violation letter. I received your response on October 28, 2009. You submitted documentation including a description of your new universal waste procedures for spent lamps, a copy of a Safety-Kleen offering for spent lamp recycling services, a photograph of a properly labeled container for spent universal waste lamps and a statement that Safety-Kleen of Ft. Wayne, Indiana will be picking up your used oil when the containers are full.

My review of this documentation reveals that Hicksville Grain Company has adequately demonstrated abatement of the violations discovered during my September 24, 2009, inspection.

If you have any questions, please feel free to call me at 419-373-3074.

Sincerely,

Don North
District Representative
Division of Hazardous Waste Management
