Mr. Bill Zirkle  
SK Hand Tool Corporation  
135 Hickory Street  
Defiance, Ohio 43512

Dear Mr. Zirkle:

Thank you for your September 10, 2008, response to Ohio EPA's August 14, 2008, Notice of Violation letter. The documentation you submitted included photographic documentation demonstrating the purchase of a labeled universal waste spent lamp accumulation container and an updated contingency plan containing updated emergency coordinator information.

My review of this documentation reveals that SK Hand Tool Corporation has abated all violations discovered during the July 28, 2008, inspection as listed below:

Letter Citation #	Rule Citation
1	OAC Rule 3745-273-13(D)(1), Storage of Universal Waste Lamps
2.	OAC Rule 3745-65-52(D), Content of Contingency Plan – Emergency Coordinators
3.	OAC Rule 3745-65-54, Maintenance of Contingency Plan

If you should have any questions, please feel free to contact me at (419)373-3056.

Sincerely,

Gary Deutschman  
Environmental Specialist III  
Northwest District Office  
Division of Hazardous Waste Management
