Mr. Chris Capucini, Service Manager  
Foster Chevrolet Cadillac  
2504 Hayes Avenue  
Sandusky, Ohio 44870

Dear Mr. Capucini:

Thank you for your June 11, 2009, response to Ohio EPA's June 2, 2009, Notice of Violation letter. Your June 11, 2009, response included documentation demonstrating that you have contracted with a laboratory to analyze your spent paint filters and that you are managing your used fluorescent lamps as universal waste. On June 18, 2009, you contacted me via telephone to inform me that you received the analytical results for your spent paint filters. On June 18, 2009, I visited your facility and reviewed the analytical results for the spent paint filters.

My review of this documentation reveals that Foster Chevrolet Cadillac has abated all violations discovered during the May 28, 2009 inspection as listed below:

Letter Citation #	Rule Citation
1(a)	OAC Rule 3745-52-11, Waste Evaluation, Paint Filters (6/18/09 RTC)
1(b)	OAC Rule 3745-52-11, Waste Evaluation, Fluorescent Bulbs (6/11/09 RTC)

Should you have any questions, please feel free to call me at (419)-373-3056.

Sincerely,

Gary S. Deutschman  
Environmental Specialist III  
Division of Hazardous Waste Management
