Re: Industrial Nut Corporation
Episodic Large Quantity Generator
OHD 004 166 526
Erie County, NWDO
RTC

August 4, 2009

Mr. Greg Bartemes
Industrial Nut Corporation
1425 Tiffin Avenue
Sandusky, Ohio 44870

Dear Mr. Bartemes:

Thank you for your July 21, 2009, and July 27, 2009, responses to Ohio EPA's July 8, 2009, Notice of Violation letter. The documentation you submitted included a waste evaluation for the oily waste water you generate at your facility and an e-mail confirming that you submitted Annual Hazardous Waste Reports for calendar years 2006, 2007 and 2008 to this Agency.

Ms. Mary Ann Silagy reviewed the Annual Hazardous Waste Reports and I reviewed the waste evaluation for your oily waste water. Our review of this documentation reveals that Industrial Nut Corporation has abated all violations discovered during the June 18, 2009, inspection as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-52-11, Waste Evaluation (RTC 7/21/09)
2.	OAC Rule 3745-52-41, Annual Reports (RTC 7/27/09)

Should you have any questions, please feel free to call me at (419-373-3056).

Sincerely,

Gary S. Deutschman
Environmental Specialist III
Division of Hazardous Waste Management
