Dear Mr. Gerhart:

Thank you for your January 13, 2010, response to Ohio EPA's October 26, 2009, Notice of Violation letter. The documentation you submitted included analytical data for the spent sand blasting media used to clean used motors prior to painting.

My review of this documentation reveals that Sandusky Electric has abated the violation discovered during the October 15, 2009, inspection as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-52-11, Waste Evaluation – Spent Sand Blast Media – RTC 01/13/10
