Re: ThorWorks Industries
Erie County
Return to Compliance
OHD 987 047 446

March 25, 2009

Mr. Jim Ulizzi, Environmental Manager
ThorWorks Industries
2520 South Campbell Street
Sandusky, Ohio 44870

Dear Mr. Ulizzi:

Thank you for your March 10, 2009, response to Ohio EPA's February 6, 2009, Notice of Violation. The documentation you submitted included: copy of storage container weekly inspection logs (every 7 days or less), analytical report of the fire debris, and a statement regarding your intent to have your universal waste lamps be picked up from now on by Safety- Kleen. My review of this documentation reveals that ThorWorks Industries has now abated all violations discovered during the January 27 & 30, 2009, inspection as listed below.

Letter Citation #	Rule Citation
1	OAC Rule 3745-52-11, Waste Evaluation – Spent light bulbs
2	OAC Rule 3745-66-74: Management of containers – Inspections
Concern	Garage Building Fire – Paint Booth, Used Oil Furnace

Should you have any questions, please feel free to contact me at (419) 373-3015.

Sincerely,

Edgar V. Pulido
Division of Hazardous Waste Management

/llr
