Sandusky, Ohio 44870

Dear Mr. DaGiau:

Thank you for your May 1, 2009, response to Ohio EPA's April 6, 2009, Notice of Violation letter. The documentation you submitted included photographic documentation demonstrating the marking of used oil containers and a letter from your lighting maintenance contractor demonstrating that the spent universal waste bulbs generated at your facility are recycled.

My review of this documentation reveals that Victory Honda of Sandusky has now abated the violation discovered during the March 17, 2009, inspection as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-279-22(C)(1) – Marking of Used Oil Containers

Should you have any questions, please feel free to call me at 419-373-3056.

Sincerely,

Gary S. Deutschman
