Dear Ms. Fowler:

Thank you for your responses to Ohio EPA's September 15, 2004, Notice of Violation and January 26, 2007, Partial Return to Compliance letters. You submitted the following information on the following dates:

- August 29, 2007 – Photographs documenting proper used oil labeling.
- September 17, 2007 – A statement of your management plan for your spent parts washing solvent.
- September 26, 2007 – A Material Safety Data Sheet for your parts washing solvent.
- September 26, 2007 – A statement that DISC Environmental Services picks up your used oil and burns it for energy recovery.

My review of this documentation reveals that Dukes Titan Aviation LLC has adequately demonstrated abatement of the violations discovered during the August 3, 2004, hazardous waste compliance evaluation inspection as listed below:

1. OAC Rule 3745-52-11, Waste Evaluation. ***This violation was abated with your September 17 and September 26, 2007, responses.***
2. OAC Rule 3745-51-05 (G) (3), Ensure Delivery of Hazardous Waste. ***This violation was abated during the April 4, 2005, site visit to your facility.***

In addition, you have satisfied all areas of concern noted in the September 15, 2004, Notice of Violation letter.
