Mrs. Dawn Hilty, Owner
Wingate Body Shop, Inc.
1035 Western Avenue
Findlay, Ohio 45840

Dear Mrs. Hilty:

Thank you for your June 1, 2007 response to Ohio EPA's May 7, 2007 Notice of Violation letter. The documentation you submitted included Chemtron Corporation waste profiles regarding your used oil and spent fluorescent light bulbs. According to this documentation, used oil will be properly stored and recycled. In addition, fluorescent light bulbs will be managed as universal waste and also recycled.

My review of this documentation reveals that Wingate Body Shop has now abated all violations discovered during the April 10, 2007 inspection as listed below.

Letter Citation #	Rule Citation
1(a) & (b)	OAC Rule 3745-52-11; Waste Evaluation
B(2)	OAC Rule 3745-279-31; Used Oil Collection Center must be registered with Ohio EPA.

If you should have any questions, please feel free to contact me at (419)373-3015.

Sincerely,

Edgar V. Pulido
Division of Hazardous Waste Management
