Huron County
RTC

September 16, 2009

Mr. Joseph Caranfa
Hite Ford & Mercury
1370 East Main Street
P. O. Box 97
Bellevue, Ohio 44811

Dear Mr. Caranfa:

Thank you for your August 31, 2009, and September 10, 2009, responses to Ohio EPA's August 26, 2009, Notice of Violation letter. You submitted photo documentation showing the correct labels for your used oil and provided information stating you are managing your fluorescent bulbs as universal waste.

This documentation demonstrates that Hite Ford & Mercury has adequately abated all violations discovered during Ohio EPA's August 13, 2009, inspection:

| Violation | Date Violation Cited | Date Violation Abated |
|--|----------------------|-----------------------|
| 1. Waste Evaluation, OAC Rule 3745-52-11 (Lamps) | August 13, 2009 | September 10, 2009 |
| 2. Used Oil Storage Requirements, OAC Rule 3745-279-22 (C) (1) | August 13, 2009 | August 31, 2009 |

If you should have any questions, please feel free to call me at (419) 373-3058.

Sincerely,

Amy Heller
Division of Hazardous Waste Management
