Dear Mr. Peters:

Thank you for your May 6, 2009, response to Ohio EPA's April 16, 2009, Notice of Violation letter. You submitted documentation including a description of your new used oil management procedures and three MSDS for oil used at your facility.

My review of this documentation reveals that Cenvco has adequately demonstrated abatement of the violations discovered during my March 11, 2009, inspection.

If you have any questions, please feel free to call me at 419-373-3074.

Sincerely,

Don North
District Representative
Division of Hazardous Waste Management
