Mr. John Hammill, Jr., President
Co-Op Tool Workholding Systems
1517 Coining Drive
Toledo, Ohio 43612

Dear Mr. Hammill:

Thank you for your March 30, 2010, response to Ohio EPA's March 12, 2010, Notice of Violation letter. You submitted documentation including photographs of properly labeled used oil tanks and containers and photographs of properly packaged and labeled containers of spent universal waste lamps and you described your new universal waste procedures for spent lamps. According to your response, on March 30, 2010, Co-Op Tool Workholding Systems (CTWS) will use Safety-Kleen to recycle its used lamps.

My review of this documentation reveals that CTWS has adequately demonstrated abatement of all the violations discovered during my March 4, 2010, inspection.

If you have any questions, please feel free to call me at 419-373-3074.

Sincerely,

Don North
District Representative
Division of Hazardous Waste Management
