Seneca County Commissioners
111 Madison Street
Tiffin, Ohio 44883

Dear Commissioners:

The NPDES permit for the Seneca County Facilities & Jail includes the following compliance schedule items:

As per the NPDES Permit, Part I, C - Schedule of Compliance:

- Detail plans for pretreatment facilities and sanitary sewer connection were to have been submitted not later than 40 months from the effective date of this permit (submittal due May 1, 2009).

The PTI and detail plans for this submittal were received on November 11, 2009.

- This entity shall connect to the sanitary sewer and abandon the onsite wastewater treatment plant, **not later than January 1, 2011**.
- Submit a written status report to the Ohio EPA Northwest District Office every six (6) months beginning 12 months after the effective date of this permit.
- Notify the Northwest District Office in writing within seven days of construction completion.

It is also noted that the NPDES permit expires on December 31, 2010. Please provide this office with a written status report by November 12, 2010, in regards to the January 1, 2011, required connection date. If there are any questions, please advise.

Yours truly,

Mary Beth Cohen
