Re: Richland County
Happy Hollow MHP
NPDES Permit

October 14, 2008

Larry Goble, Owner
1393 Wittmer Road
Mansfield, Ohio 44903

Dear Mr. Goble,

On September 23, 2008 our office received a request from you to terminate coverage of the NPDES permit issued to the Happy Hollow MHP located on SR 61 just south of the Village of Plymouth. An inspection was completed on October 2, 2008 and confirmed that the old extended aeration treatment plant had been abandoned and demolished. All wastewater flow is now treated by the Village of Plymouth.

Our office will begin the process of terminating NPDES permit coverage for the facility. You should receive written confirmation of the termination within the next few weeks.

If you have any questions regarding this letter, please call me at 419-373-3070.

Sincerely,

Walter Ariss
Environmental Specialist II
Division of Surface Water
