Dear Ms. Anderson:

You requested the status of the Bishop Run Lift Station permit to install application that you submitted on September 13, 2006. The application is on hold pending a completed Antidegradation Addendum. A letter was sent to your office on September 15, 2006, and a subsequent phone call was made regarding this deficiency. Once a complete application is received, the application will be assigned to a staff person for review.

If you have any questions regarding this correspondence, please call me at (614) 728-3851.

Sincerely,

Gregory L. Sanders
