Mr. Bill West  
Belmont County MRDD  
330 Fox Shannon Place  
St. Clairsville, Ohio 43950

Dear Mr. West:

On May 3, 2007, I performed a compliance inspection at your facility located at 66846 Pogue Road, St. Clairsville, to determine its compliance with Ohio's hazardous waste and solid waste laws and regulations as found in Chapter 3734 of the Ohio Revised Code (ORC) and Chapter 3745 of the Ohio Administrative Code (OAC).

As a result of this inspection, your facility was cited for accepting used oil provided by Orrison Maintenance Service to use in your maintenance garage space heater that had not been analyzed to determine if it met burn specifications in Ohio Administrative Code (OAC) 3745-279-11. Orrison Maintenance Service analyzed this oil and provided these analyses to Ohio EPA. My review of this documentation reveals that this used oil meets the specifications of OAC 3745-279-11. Therefore, Belmont County MRDD has adequately demonstrated abatement of all violations identified during the May 3, 2007 inspection.

If you have any questions, please feel free to call me at (740) 380-5262.

Sincerely,

John Rochotte  
District Representative  
Division of Hazardous Waste Management
