Barton, Ohio 43905

Dear Mr. West:

Thank you for your July 13, 2009 response to Ohio EPA's December 17, 2008, notice of violation letter. The documentation you submitted included photographs of the former used oil container storage area as well as photographs of properly labeled used oil containers now located inside your shop building.

My review of this documentation reveals that Barton Auto Salvage has now abated all violations discovered during the December 5, 2008 inspection.

Please feel free to call me at 740-380-5262, with any questions you may have.

Sincerely,

John Rochotte  
District Representative  
Division of Hazardous Waste Management
