Mr. Bill Belcher
Bill's Auto Service
State Route 93
Wellston, Ohio 45692

Dear Mr. Belcher:

Thank you for your August 13, 2007, response to Ohio EPA's June 1, 2007, Notice of Violation letter. The documentation you submitted stated that your business will accumulate spent fluorescent lamps and manage them as a universal waste that Rumpke will pick up at your facility.

My review of this documentation reveals that Bill's Auto Service has abated all violations of Ohio's hazardous waste laws and regulations discovered during the April 3, 2007, inspection.

If you should have any questions, please call me at (740) 380-5262.

Sincerely,

John Rochotte
District Representative
Division of Hazardous Waste Management

NOTICE:

Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all applicable regulations.
