Dear Mr. Camink:

Thank you for your May 15, 2007 response to Ohio EPA's October 24, 2006 Notice of Violation letter. The documentation you submitted included analyses of used oil generated at your business.

My review of this documentation reveals that Ervin's Auto Repair has abated all violations of Ohio's hazardous waste laws and regulations discovered during the October 12, 2006 inspection.

If you should have any questions, please call me at (740) 380-5262.

Sincerely,

John Rochotte
