Mr. Greg Fields, Dealer Principal  
Dallas Automotive Group  
700 Main Street  
Jackson, Ohio 45651

Dear Mr. Fields:

On February 10, 2009, I visited the Dallas Automotive Group Dealership located at 700 Main Street in Jackson to inquire about an outstanding violation from my January 31, 2006 hazardous waste compliance inspection. This outstanding violation was in regards to the management of spent fluorescent lamps. While at your facility, I determined that you are now managing spent lamps as a universal waste and have a container designated for spent lamps generated at your business.

Therefore, Dallas Automotive Group has abated all violations of Ohio's hazardous waste laws and regulations discovered during the January 31, 2006 inspection.

If you should have any questions, please call me at (740) 380-5262.

Sincerely,

John Rochotte  
District Representative  
Division of Hazardous Waste Management
