Mr. David Scharfenberger  
111 East 2<sup>nd</sup> Street  
Wellston, Ohio 45692

Dear Mr. Scharfenberger:

On February 10, 2009, I visited your facility located at 111 East 2<sup>nd</sup> Street in Wellston to inquire about an outstanding violation from my January 17, 2007 site visit. This outstanding violation was regarding the management of spent fluorescent lamps. While at your facility, I determined that you are now managing spent lamps as a universal waste and have a container designated for spent lamps generated at your business.

Therefore, Ray's Appliance has abated all violations of Ohio's hazardous waste laws and regulations discovered during the January 17, 2007 site visit.

If you should have any questions, please call me at (740) 380-5262.

Sincerely,

John Rochotte  
District Representative  
Division of Hazardous Waste Management

Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all applicable regulations.
