Mr. Ryan Wright
Michelina's, Inc.
100 East Broadway Street
Jackson, Ohio 45640

Dear Mr. Wright:

Thank you for your response to Ohio EPA's February 16, 2007 Notice of Violation letter received on October 26, 2007 and follow-up emails with additional photographs sent on November 18, 2007.

The documentation you submitted included photographs of properly labeled used oil containers; containers for spent fluorescent lamps; and photographs of an area where used oil was cleaned up from a spill. Information was also provided describing procedures established for the management of universal waste batteries and lamps.

My review of this documentation reveals that Michelina's has abated all violations of Ohio's hazardous waste laws and regulations discovered during the February 6, 2007 inspection.

If you should have any questions, please call me at (740) 380-5262.

Sincerely,

John Rochotte
District Representative
Division of Hazardous Waste Management
