Dear Mr. Winters:

Thank you for your February 27, 2008 email response to Ohio EPA's February 6, 2008 Notice of Violation letter. The documentation you submitted stated that your business will now contract with Capital City Oil to manage used oil from your facility.

My review of this documentation reveals that Co-Alliance has abated all violations of Ohio's hazardous waste laws and regulations discovered during the January 30, 2008, inspection.

If you should have any questions, please call me at (740) 380-5262.

Sincerely,

John Rochotte
District Representative
Division of Hazardous Waste Management

NOTICE:

Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all applicable regulations.
