Re: **Regional Waste Solutions C&DD Transfer Site – Illegal Disposal of C&DD  
2<sup>nd</sup> Notice of Violation**

Dear Mr. Lore:

During the afternoon of October 1, 2009, Allan Hurtt and I from Ohio EPA visited your site, located at 1388 Stimmel Road, Columbus, Ohio, that your company (Regional Waste Solutions) was using to transfer construction and demolition debris (C&DD) from both your own company and local haulers to a licensed C&DD landfill.

It did not appear that much, if any, construction and demolition debris has been removed from the site since I was last there on September 2, 2009. As noted in my previous letter to you, the accumulation of this material at this property is considered to be illegal disposal of construction and demolition debris, which is a violation of Ohio Administrative Code Rule 3745-400-04(B).

Please respond in writing within ten (10) days receipt of this letter as to what steps you plan on taking to abate this violation. Note that failure to take timely action to abate this violation may result in Ohio EPA taking enforcement action against your company.

If you have any questions regarding this matter, please feel free to call me at (614) 728-3890.

Sincerely,

Phil Farnlacher
