Re: 1388 Stimmel Road, Columbus - Illegal Disposal of C&DD – Notice of Violation

Dear Mr. Hoffman:

As you are probably aware, since early 2009, Regional Waste Solutions has operated a construction and demolition debris transfer facility at 1388 Stimmel Road, Columbus, Ohio. Early in the operation, construction and demolition debris was being added and removed from the site. However, since about September 1, 2009, clearly construction and demolition debris was no longer being removed from the site. It is my understanding that the day to day operation of the site was given to Rick Fintak, who removed about 50 loads of construction and demolition debris in mid-December 2009. However, since that time no additional debris has been removed. Since no construction and demolition debris is being removed, and a large accumulation of debris still exists on this property, you are in violation of Ohio Administrative Code Rule 3745-400-04(B) which states, " No person shall conduct or **allow** illegal disposal of construction and demolition debris, as defined in Rule 3745-400-01 of the Administrative Code".

Please respond in writing within ten (10) days receipt of this letter as to what steps you plan on taking to abate this violation. Note that failure to take timely action to abate this violation may result in an enforcement action being taken against the owner of this property.

If you have any questions regarding this matter, please feel free to call me at (614) 728-3890.

Sincerely,
