**Re: Woody's Auto Salvage – Management of Scrap Tires – Final Follow-up
Inspection**

Dear Mr. Baker:

During the late morning of October 20, 2011, I stopped at your auto salvage operation located at 1988 McKinley Avenue to determine if you had removed all of the scrap tires from the area outside of the perimeter fence. I had last stopped in on January 20, 2010, to check on your progress. It appears that you have removed all of these tires. Thank you for all of your efforts to resolve this matter.

If you have any questions about the proper management of scrap tires, please feel free to call me at 728-3890 or email me at: phil.farnlacher@epa.state.oh.us.

Sincerely,

Phil Farnlacher
Environmental Specialist
Division of Materials and Waste Management
Central District Office
