**Re: Complaint Investigation – Re-Inspection**

Dear Mr. Rochell:

During the morning of September 21, 2011, I conducted a re-inspection at your residence located at 8990 Marcy Road. The purpose of the re-inspection was to determine if you had removed and properly disposed of the wood decking that had been dumped at the rear of your property. It was evident that the decking had been removed from the property. Later the same day you faxed me disposal receipts from the Frank Road C&D Landfill in Columbus showing that 19 cubic yards of material had been disposed.

Thank you for abating this violation by taking this material to a properly licensed disposal facility. I have also enclosed a brochure that explains Ohio EPA's open burning regulations.

If you have any questions regarding this matter, please feel free to contact me by phone at 614-728-3890 or by email at [phil.farnlacher@epa.state.oh.us](mailto:phil.farnlacher@epa.state.oh.us).

Sincerely,
