787 High Street
Coal Grove, OH 45638

Dear Mr. Matney:

I received your response to my September 25, 2007 Notice of Violation (NOV) letter on November 27, 2007. The documentation you submitted included a receipt from Glockner Oil Company for the pickup and recycling of 8 drums (410 gallons) of used oil at your facility in Coal Grove.

My review of this documentation reveals that James Matney Trucking has adequately demonstrated abatement of the following violation discovered during the July 19, 2007 and September 13, 2007 inspections:

OAC Rule 3745-279-24, Off-Site Shipments of Used Oil by Generators

James Matney Trucking has resolved all violations resulting from the July 19, 2007 and September 13, 2007 inspections.

If you have any questions, please contact me at (740) 380-5288.

Sincerely,

Scott N. Bergreen
