RE: Return to Compliance

Dear Mr. Pemberton:

Thank you for your August 23, 2010 response to Ohio EPA's August 11, 2010 Notice of Violation letter. In your response, you submitted photographic documentation demonstrating that the oil leaking from the dump truck behind the garage has been collected and prevented from entering the storm drain and that all the visible used oil on the ground from previous leaks have been cleaned up. You also submitted documentation of proper disposal of oil-contaminated soil and clean up materials, as well as documentation of proper disposal of used oil and spent fluorescent lamps generated at the City of Irlington's Municipal Garage.

Review of this documentation shows that the City of Irlington's Municipal Garage has abated the violation discovered during Ohio EPA's June 23, 2010 inspection.

If you should have any questions regarding this letter, please feel free to call me at (740) 380-5237.

Sincerely,

Vicky D. German
