Dear Mr. Hann:

Thank you for your March 25, 2010 response to Ohio EPA's September 15, 2009 Notice of Violation letter. The documentation you submitted included a receipt from a recent Cintas pickup of spent rags/wipers and a receipt from Veolia for recycling of spent fluorescent bulbs.

My review of this documentation reveals that Hann Manufacturing has abated the following violation discovered during the September 9, 2009 inspection:

**(1) OAC Rule 3745-52-11, Hazardous Waste Determination**

Hann Manufacturing has resolved all violations resulting from the September 9, 2009 site inspection.

Should you have any questions, please feel free to contact me at (740) 380-5288.

Sincerely,

Scott N. Bergreen  
Environmental Supervisor  
Division of Hazardous Waste Management
