Dear Mr. Cain:

Thank you for your May 30, 2008 response to Ohio EPA's May 13, 2008 Notice of Violation letter. The documentation you submitted consisted of photographs of the area of your property where oil-contaminated soils were excavated, and a receipt for recycling of used oil from a recycler.

My review of this documentation, and a site visit conducted on June 9, 2008 reveal that Quick 60 has now abated all violations discovered during the May 6, 2008 inspection.

Should you have any questions, please feel free to call me at (740) 380-5293.

Sincerely,

Donna Goodman  
District Representative  
Division of Hazardous Waste Management
