Mr. Jeff Ball
Kessler Sign Company
P.O. Box 785
Zanesville, Ohio 43702-0785

Dear Mr. Ball:

On March 9, 2009, Melody Stewart and I performed a compliance inspection of Kessler Sign Company to determine its compliance with Ohio's hazardous waste laws and regulations as found in Chapter 3734 of the Ohio Revised Code (ORC) and Chapter 3745 of the Ohio Administrative Code (OAC).

Based on our observations and the documentation reviewed from the inspection, Ohio EPA issued you a notice of violation (NOV) letter on March 17, 2009. On April 30, 2009, I received your response which contained two sample results for your fluorescent lamps. A third NOV was issued to you on October 8, 2009. I received your response, including sample results, on November 10, 2009.

Based on the information in your response, Kessler Sign Company has abated the violation of the following regulation:

- i. OAC rule 3745-52-11, Hazardous waste determination.

Kessler Sign has now abated all violations cited from the March 9, 2009 inspection.

Additional information on the hazardous waste rules is available on Ohio EPA's website at www.epa.state.oh.us. If you have any questions regarding waste management or pollution prevention activities, please call me at (740) 380-5278.

Sincerely,

Richard Stewart
District Representative
Division of Hazardous Waste Management
