Franklin Local School District
360 Cedar Street, P.O. Box 428
Duncan Falls, Ohio 43734-0428

Dear Mr. Walden:

Thank you for your March 29, 2007 response to Ohio EPA's March 14, 2007 Notice of Violation letter. Your response included a description of the arrangements that Franklin Local School District has made for management of used motor oil, transmission oil, oil filters, and spent antifreeze. In addition, your letter indicated that Franklin Local School District will be collecting spent fluorescent lamps for recycling by SunPro; and addressed my questions regarding the floor drains in the bus garage.

My review of this documentation shows that has Franklin Local School District has abated all violations discovered during Ohio EPA's March 5, 2007 hazardous waste inspection.

Should you have any questions or require assistance, please feel free to call me at 740-380-5237.

Sincerely,

Vicky D. German
