Dear Mr. Balderson:

On January 14, 2010, Vicky German and I performed a compliance inspection of Balderson Motor Sales to determine its compliance with Ohio's hazardous waste laws and regulations as found in Chapter 3734 of the Ohio Revised Code (ORC) and Chapter 3745 of the Ohio Administrative Code (OAC).

Based on our observations and the documentation reviewed from the inspection, a notice of violation letter was sent to you on January 25, 2010. I received your response on February 25, 2010. Based on the photographs included in your response, your facility has abated the violations of the following regulations:

- (i) OAC rule 3745-273-13(D)(1) Waste Management – standards for small quantity handlers of universal waste;
- (ii) OAC rule 3745-273-14 (E), Labeling/marketing standards for small quantity handlers of universal waste

Thank you for your attention to these issues, you have returned to compliance with all regulations cited during the January inspection.
