Fink's Southside Collision Repair, Inc.
2879 Maysville Pike
Zanesville, Ohio 43701

Dear Mr. Pickinpaugh:

On September 26, 2008, I performed an inspection to determine Fink's Southside Collision Repair compliance with Ohio's hazardous waste laws regulations as found in Chapter 3734 of the Ohio Revised Code (ORC) and Chapter 3745 of the Ohio Administrative Code (OAC).

Based on this inspection, a notice of Violation letter was sent to you on October 7, 2008. On November 10, 2008, I received your response, which included photographs. Based on this documentation, your facility has now abated the following violations of the hazardous waste rules:

- i) OAC Rule 3745-279-22(C), Used oil storage requirements for generators.

Fink's Southside Collision has now returned to compliance with all previously-cited regulations.

If you have any questions regarding waste management or pollution prevention activities, please call me at (740) 380-5278.

Sincerely,

Richard Stewart
District Representative
Division of Hazardous Waste Management
