Dear Mr. Sneed:

I received your responses to my November 22, 2010 Notice of Violation letter on December 21, 2010 and January 10, 2011. The documentation that you submitted included copies of photographs of properly labeled hazardous and universal waste containers, a copy of the universal waste tracking log and a copy of the contingency plan.

My review of this documentation reveals that International Converter has adequately demonstrated abatement all violations discovered during the November 8, 2010 compliance inspection.

If you have any questions regarding this letter, please call me at (740) 380-5256.

Sincerely,

Melody Stewart
District Representative
Division of Hazardous Waste Management
