Dear Mr. Hesson:

Thank you for your July 5, 2011 response to Ohio EPA's June 7, 2011 Notice of Violation letter. The documentation you submitted included photographs of your road before and after the application of a commercial dust suppressant, and a receipt from the company that applied the sealant.

My review of this documentation reveals that you have now abated the violation discovered by Ohio EPA on May 24, 2011 during a site visit by Ohio EPA's Division of Environmental Response and Revitalization.

Should you have any questions, please feel free to contact me at 740-380-5293.

Sincerely,

Donna Goodman  
District Representative  
Division of Materials and Waste Management

***Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all applicable regulations.***
