Ray's Body Shop
601 North Pleasant Street
New Lexington, Ohio 43764

Dear Mr. Hatem:

Thank you for your March 22, 2007 response to Ohio EPA's March 12, 2007 Notice of Violation letter. The documentation you submitted included a statement that you will containerize the hazardous paint solids in a 55-gallon container. Also, during a meeting with you on March 21, 2007, you stated that the waste will be collected for proper disposal and will not be disposed of in the facility's general trash.

My review of this documentation reveals that Ray's Body Shop has now abated the violation discovered during the February 27, 2007.

Should you have any questions, please feel free to call me at (740)380-5256.

Sincerely,

Melody Stewart
