Mr. John Boyden
New Lexington City School Bus Garage
2695 Panther Drive
New Lexington, Ohio 43764

Dear Mr. Boyden:

Thank you for your June 7, 2007 response to Ohio EPA's May 7, 2007 Notice of Violation letter. The documentation you submitted included photographs of the used oil contaminated soil removal and of the properly labeled used oil tank.

My review of this documentation reveals that the New Lexington City Bus Garage has now abated all violations discovered during the May 3, 2007 inspection as listed below.

1. Used oil storage requirements for generators, OAC rule 375-279-22(C)
2. Used oil storage requirements for generators, OAC rule 375-279-22(D)(3)

If you have any questions regarding waste management or pollution prevention activities, please call me at (740) 380-5278.

Sincerely,

Melody Stewart
District Representative
Division of Hazardous Waste Management

MS/dh

cc: Larry Rentschler, Supt., New Lexington City Schools

Notice:

Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all appropriate regulations.
