Dear Mr. Bowen:

I received your response to my July 9, 2007 Notice of Violation letter on August 21, 2007. The documentation that you submitted included photographs of the area where the used oil was spilled and the used oil container.

My review of this documentation reveals that 3D Equipment Rental has adequately demonstrated abatement of the violations discovered during the July 3, 2007 inspection.

If you have any questions regarding waste management or pollution prevention activities, please call me at (740) 380-5278.

Sincerely,

Melody Stewart
District Representative
