Dear Mr. Netherton:

Thank you for your September 24, 2007 response to Ohio EPA's August 24, 2007 Notice of Violation letter. The documentation you submitted included a description of how you will manage universal waste spent lamps at both of your facilities in the future.

My review of this documentation reveals that Riffle Machine has now abated all violations discovered at both facilities during the August 22, 2007 inspection. Should you have any questions, please feel free to call me at (740) 380-5293.

Sincerely,

Donna Goodman
District Representative
Division of Hazardous Waste Management
