Dear Mr. Legner:

Thank you for your response received on August 6, 2009 to Ohio EPA's July 1, 2009 Notice of Violation letter. The documentation that you submitted included photographs of properly labeled containers of hazardous waste and universal waste, and a log of emergency equipment inspections.

My review of this documentation reveals that Kenworth has now abated all violations discovered during the June 23, 2009 inspection.

Sincerely,

Donna Goodman  
District Representative  
Division of Hazardous Waste Management

Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all applicable regulations.
