Dear Mr. Haskins:

On October 11, 2007, Ohio EPA conducted a follow up inspection of the former site of R&L Body and Salvage ("R&L") located at 3283 Pennyroyal Road, Clarksburg, Ohio. The purpose of this site visit was to determine if your now-closed business, R&L Body and Salvage, had returned to compliance with violations cited in Ohio EPA's June 14, 2007 Notice of Violation letter. Based on my site visit and a review of receipts from Safety Kleen and Thompson Oil for disposal of hazardous waste and used oil, you have now abated all violations discovered during the June 6, 2007 inspection.

Should you have any questions, please feel free to call me at (740) 380-5293.

Sincerely,

Donna Goodman
District Representative
Division of Hazardous Waste Management
