20 Plyleys Lane  
Chillicothe, Ohio 43601

Dear Mr. Poole:

Thank you for Ingle-Barr's March 25, 2010 response to Ohio EPA's March 16, 2010 Notice of Violation letter. The documentation submitted by Mr. David Overly of Ingle-Barr included a description of the contents of five-gallon containers, a photograph of one of the container labels, MSDS information, and an explanation of how the contents of the containers are now being managed.

My review of this documentation reveals that Ingle-Barr has now abated all violations discovered during the March 9, 2010 inspection.

Should you have any questions, please feel free to call me at (740) 380-5293.

Sincerely,

Donna Goodman  
District Representative
