Dear Mr. Mercamp:

Thank you for your May 4, 2007 response to Ohio EPA's May 1, 2007 Notice of Violation letter. The documentation you submitted included photographs of the area of Camp Sherman where oily soils were excavated near the recycling bin, and a receipt for disposal of oily soils at a licensed landfill. In addition, you submitted a list of steps you will take to discourage the placement of used oil in recycling bins.

You have now abated the violation discovered during the April 26, 2007 complaint investigation. Ohio EPA commends you on your efforts to provide recycling opportunities to the citizens of Ross County.

Should you have any questions, please feel free to contact me at (740) 380-5293.

Sincerely,

Donna Goodman  
District Representative  
Division of Hazardous Waste Management
