Dear Mr. Hall:

Thank you for your letter dated April 10, 2007 responding to Ohio EPA's April 3, 2007 Notice of Violation for used oil violations at your facility located at 875 Eastern Avenue in Chillicothe, Ohio. Your response letter, coupled with my observations during a site visit on May 2, 2007, demonstrate that the used oil stained soils have been cleaned up.

My review of the information provided demonstrates that American Car Crushing has now abated all violations discovered during the March 21 site visit.

If you should have any questions, please feel free to contact me at 740-380-5239.

Sincerely,

Jim Sferra
