Dear Mr. Bocook:

Thank you for your July 5, 2011 response to Ohio EPA's May 31, 2011 Notice of Violation letter. The documentation you submitted included photographs of the properly labeled used oil tanks, as well as of the area where used oil had been cleaned up and scrap tires had been removed.

The documentation you submitted demonstrates that Bocook's Garage has now abated all violations discovered during Ohio EPA's May 24, 2011 hazardous waste inspection.

If you have any questions or require assistance, please feel free to call me at 740-380-5237.

Sincerely,

Vicky B. German
