Dear Mr. Crumm:

Thank you for your January 8, 2010 response to Ohio EPA's December 8, 2009 Notice of Violation letter. The documentation you submitted included photographic documentation demonstrating that the containers and 55-gallon drums containing used oil have been properly labeled with the words "Used Oil", and that area where the leaking truck was parked has been cleaned up by removing the visibly oil-stained soil.

A review of the documentation you submitted reveals that Shawnee Sanitation has now abated all violations discovered during the December 2, 2009 hazardous waste inspection.

If you should have any questions regarding this letter, please feel free to call me at 740-380-5237.

Sincerely,

Vicky D. German
