Dear Mr. McCaughey:

Thank you for your response received on December 3, 2007 to Ohio EPA's November 1, 2007 Notice of Violation letter. The documentation you submitted included a revised Land Disposal Restriction notification form.

My review of this documentation reveals that Spectra Energy Wheelersburg Compressor Station has now abated all violations discovered during the On October 23, 2007 inspection.

Please note that enclosed in this letter is the original Notice of Violation letter, inspection checklist and other documents which I sent to you on November 1, 1007. I believe these were inadvertently returned to me with your response received on December 3, 2007. Please maintain these documents in your files.

If you should have any questions, please feel free to call me at (740) 380-5293.

Sincerely,

Donna Goodman
